Name: Nikta	Specialty /Ph.D. MD, MPH, Pediatrician		
Surname: Hatamizadeh			
Title/Degree: Professor	Department of Rehabilitation management Department of Education and Psychology of Children with Special Needs, 2 nd affiliation		
Research Interests: - Methodological Research - Team Work - Health and QOL of children with special needs and their parents - Improving effectiveness and efficacy of rehabilitation interventions and services, - Improving QOL of children with hearing loss			
		Updated: Y/M/D 2023/8/23	
Personal Information		Nationality: Iranian	
Office address: Department of Rehabilitation Management University of Social Welfare & Rehabilitation Sciences Kudakyar St., Daneshjoo Blvd., Evin, Tehran, Iran Tel: + 98 (21) 22180132 Fax: +98 (21) 22180 132	E-mail: nikta_h@yahoo.com ni.hatamizadeh@uswr.ac.ir University URL: http://www.uswr.ac.ir		
Education			
Date	Degree	Institution	City/Country

2001	MPH	School of Public Health, Tehran University of Medical Sciences	Tehran, Iran
1995	Board Certification in Pediatrics	Iran University of Medical Sciences	Tehran, Iran
1991	MD	Iran University of Medical Sciences	Tehran, Iran
Professional Training			
1995- present	More than 2000 hours Of workshops on A. Child development, early detection and interventions in developmental delay B. Health Management C. Teaching & general academic skills D. Research E. Computer and Information Technology F. Genetic Counseling G. Health care H. Evaluation in Higher Education		Tehran- Iran
Faculty member			
Year	Position	Institution	Location
July 2023- present	Professor	- Department of Rehabilitation management - Department of Education and Psychology of Children with Special Needs, (Second affiliation) University of Social Welfare and Rehabilitation Sciences	Tehran, Iran
2020- 2023	Associate Professor	Department of Education and Psychology of Children with Special Needs, (Second affiliation)	Tehran, Iran
2009- 2023	Associate Professor	Department of Rehabilitation management, University of Social Welfare and Rehabilitation Sciences	Tehran, Iran
2010- 2019	Associate Professor	Pediatric Neurorehabilitation Research Center, University of Social Welfare and of Rehabilitation Sciences. (Second affiliation)	Tehran, Iran
2001- 2009	Assistant Professor	Department of Rehabilitation management, University of Social Welfare and Rehabilitation Sciences	Tehran, Iran
1996- 2001	Assistant Professor	Department of Clinical Medicine, University of Social Welfare and Rehabilitation Sciences	

Research and Teaching Interests	
- Methodological Research - Team Work - Health and QOL of children with special needs and their parents - Improving effectiveness and efficacy of rehabilitation interventions and services, - Improving QOL of children with hearing loss	
Language Ability	
- Persian; Native language - English; Excellent in reading, good in listening, writing and speaking.	
Teaching Experience	
A: Academic courses	
2020-present	Rehabilitation Evaluation and System Analysis , (Rehabilitation management, MSc course).
2013-present	Team working and group dynamism ; (Rehabilitation management, MSc course).
2008 -present	Rehabilitation research ; (Rehabilitation management, MSc course).
2009-present	Rehabilitation Technology ; (Rehabilitation management, MSc course).
2014-2016	Rehabilitation Team working ; (Pediatric neuro-rehabilitation research, PhD course).
2013, 2018	Writing research reports ; (Pediatric neuro-rehabilitation research, PhD course).
2012-2018	Child development ; (Pediatric nouro-rehabilitation research, PhD course).
2012-2014	Research: advanced course ; (Pediatric neuro-rehabilitation research, PhD course).
2012	Public Health & First Aid ; (Speech Therapy, BS course).
2007	Mother & Child health and nutrition , (Children with special needs training, Associate's degree course).
2007- 2008	Child disease ; (preschool Development & Training, BS course).
2006	Medical Rehabilitation (Team working) ; (Rehabilitation management, MSc course).
2006	First aid ; (Children with special needs Training, Associate's degree course).
2006	First aid ; (preschool Development & Training, BS course).
2006	Child: disease & nutrition ; (preschool Development & Training, Associate's degree course)

2005	Mother & Child health and nutrition; (preschool Development & Training, BS course).		
2001-2008	Health research; (Rehabilitation management, MSc course).		
2004	Health research; (Orthotics-Prosthetics, MSc course).		
2003	Health research; (Genetics, MSc course).		
1997- 2007	Family Health and disability prevention; (Social worker, BA course).		
1996	Internal Medicine; (Occupational Therapy, BS course).		
Teaching Experience			
B. Short courses and workshops			
2005	<i>Mental Retardation, Definition and Diagnosis, for Students in various Rehabilitation disciplines,</i> Early Detection and Intervention workshop, Iran University of Medical Sciences, Tehran, Iran.		
2005	<i>Healthy Nutrition for Preschool children, for kindergarten teachers,</i> Shocoufeha institute –Tehran Municipality, Tehran, Iran.		
2005	<i>Highly prevalent disease in preschool children, for kindergarten teachers,</i> Shocoufeha institute –Tehran Municipality, Tehran, Iran.		
2005	<i>How to use ASQ for developmental screening in children, in a training of Trainers course.</i> 3 one day-workshops, University of Social Welfare and Rehabilitation Sciences, Ministry of Health & Medical Education, Welfare Organization and UNICEF, Tehran, Iran.		
1997-2003	<i>Genetic counseling and Mental Retardation, in Genetic Counseling course (preparing physicians to conduct genetic counseling),</i> Welfare Organization, Tehran, Iran.		
2002 and before	<i>Genetic counseling for Short Stature, in Genetic Counseling course (preparing physicians to conduct genetic counseling),</i> Welfare Organization, Tehran, Iran.		
	<i>Do and don't in pregnancy to prevent disability, in a training of trainer course, for intermediate trainers in a public training program,</i> Welfare Organization, Tehran, Iran.
